A Friendly Cyber Safety Guide for Kids
By Anushangi Khemka

Don't talk to
strangers online!

Keep your personal
information private!

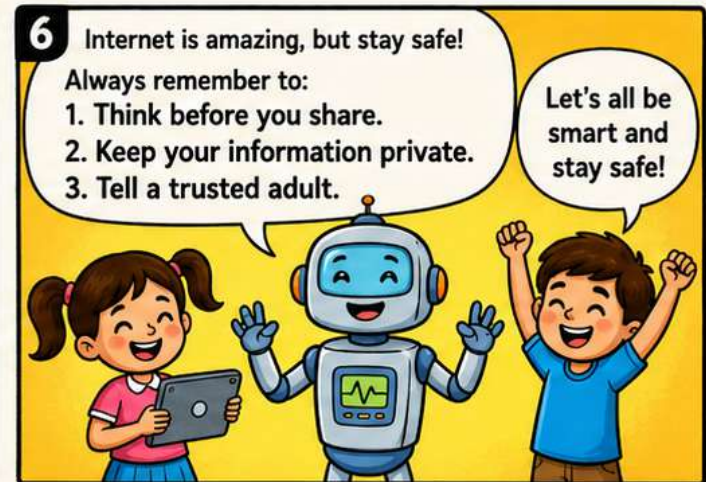

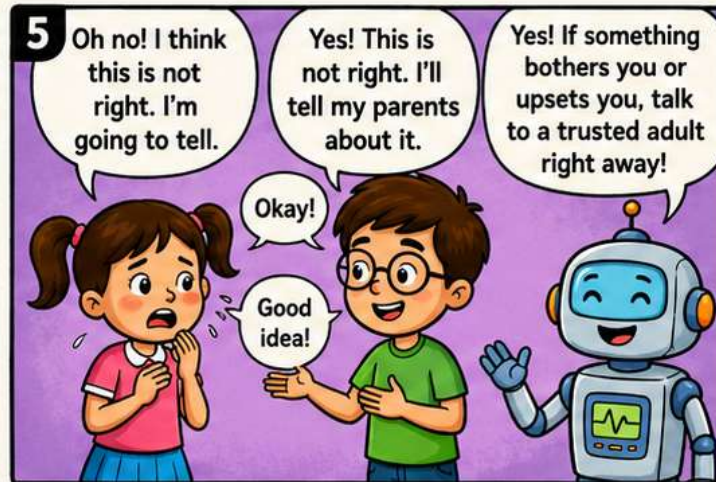

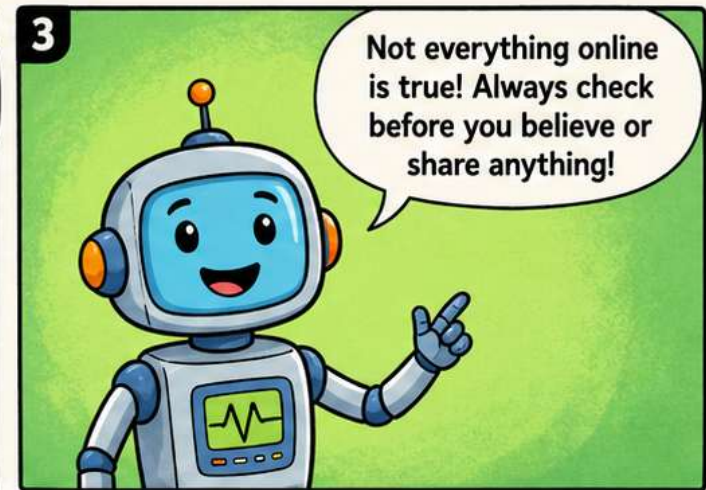

Create strong
passwords!

Ask your parents before
using the internet!

INTERNET SAFETY: WATCH, THINK, STAY SAFE!

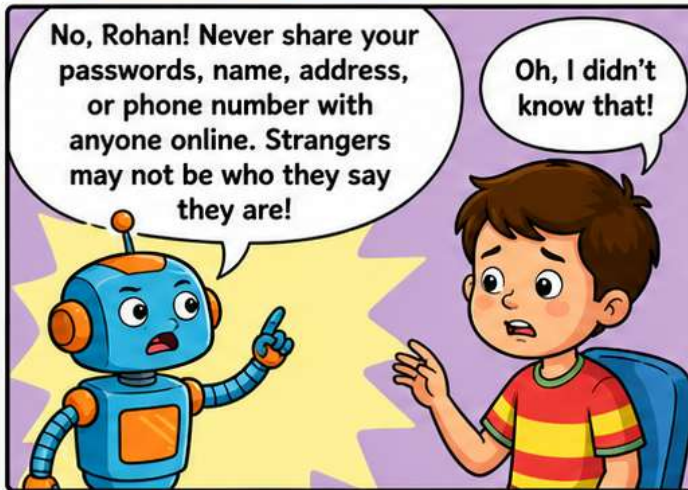

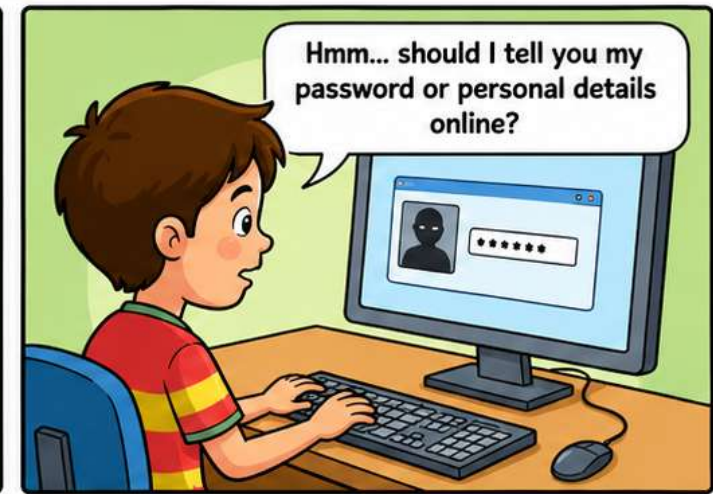

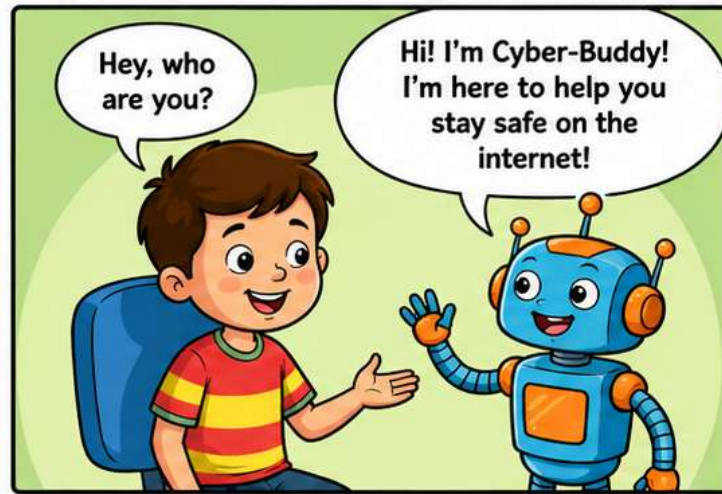

A CYBER AWARENESS STORY: RINKI AND ROHAN

BE SMART ★ BE ALERT ★ BE SAFE ★ TOGETHER!

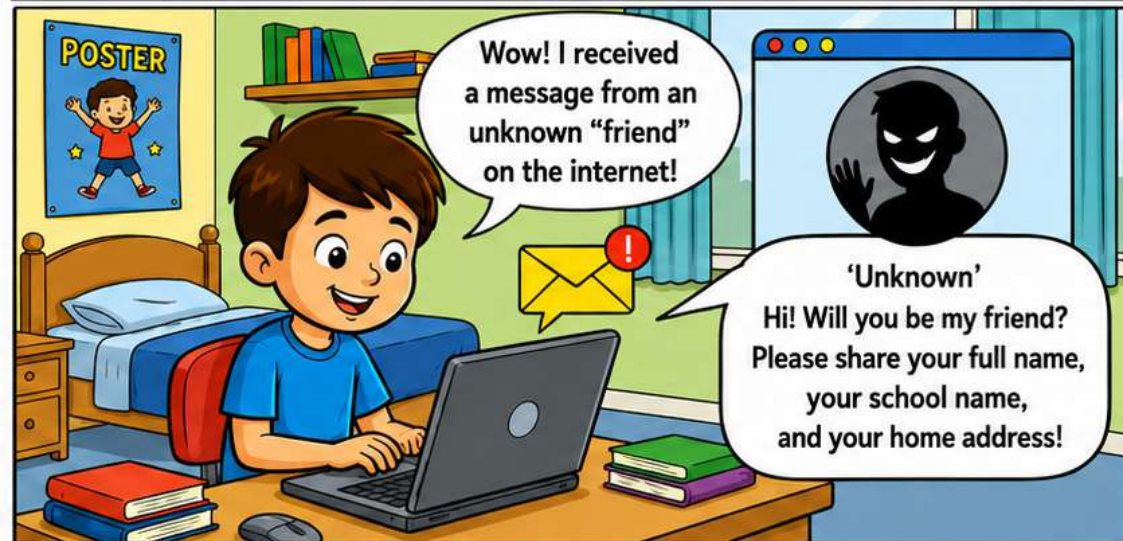

BE CYBER AWARE!

STAY SAFE ON THE INTERNET!

BE AWARE ★ BE CAREFUL ★ STAY SAFE ★ STAY SMART!

STAY ALERT ONLINE: RAHUL'S STORY!

CYBER SAFETY IMPORTANT RULES:

Don't talk to strangers online!

Keep your personal information private!

Create strong passwords!

Ask your parents before using the internet!

CYBER AWARENESS WORLD: ROHAN AND THE PATH TO SAFETY

Rohan is enjoying his favorite game online.

Wow! This new level is so exciting!

An online chat appears...

Unknown_User

Hi! Do you want to share your personal information with me?

Type a reply...

Rohan! Stop! Never share your personal information with anyone!

Never talk to unknown people online. They may pretend to be someone they are not!

Don't share your name, address, school, phone number or photos with anyone online!

I will block them, report them and talk to you immediately if anything like this happens again!

Safe Internet, Happy Life!

Remember: Be aware of strangers and never share your personal information.

With the cooperation and support of all of you, we have set up a very important cyber help and online complaint system for our country, Rohan! We are proud of you!

CYBER HELPLINE NUMBER

www.cybercrime.gov.in

Sir, because of your motivation and digital awareness, the fear of cybercrime is decreasing. Now I will also teach all my friends about cyber safety!

Don't talk to strangers online.

Create strong passwords.

Ask your parents before using the internet.

Keep your personal information private.

Report anything suspicious online.

Be a responsible digital citizen.
